Dear Mr. Whyrick:

I am in receipt of your letter of August 10 regarding the amended July Quarterly report.

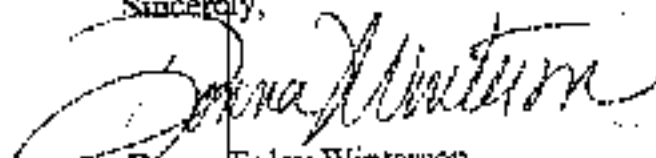

As we discussed on the phone, the Column B Figures are now correct and do included all activity from November 6, 2002 to the current date.

I am aware that our best efforts must be documented to obtain the occupations and employers of any individual contributing in excess of \$200.00 to our campaign. I have enclosed for your review, a copy of the follow up letter that we send upon receipt of any contribution that we receive for which we do not have the proper information. I have also enclosed an example of the response form that accompanies any fundraising efforts requesting the necessary information and a postage paid envelope which is also included with the follow-up letter.

I just received two responses to these letters and filed an amended July Quarterly report to include the information received.

Thank you for bringing these items to our attention.

Sincerely,

 Donna Foley Winterson
 Treasurer
